## **ACT Senior Retake Opportunity**

- For the fall of 2017, the ACT Senior Retake Opportunity will be administered by local school districts during the school day, and the department will cover the costs of all exam
- DCHS will administer the retake for qualifying students on Tuesday, Oct. 17, 2017. We had two options for administrating the test October 3 or October 17.
- The state will cover the cost of the ACT exam (without writing) for qualifying senior students only.
- How do students register for the ACT Senior Retake Opportunity?  
We will conduct a registration session with the students on September 20, 2017. Students complete the demographic sections and have the opportunity to select up to four colleges to receive their scores free of charge.
- What if a qualifying student wants to retake the ACT but is absent on the date that we offer the test?  
Students who miss the test date at their school will need to retake the exam on a national test date at their own expense or by using an ACT fee waiver. Students who meet the requirements to be considered economically disadvantaged are eligible for up to two fee waivers from ACT, Inc. These fee waivers can be used to register for the ACT on any national test date. The state department will no longer offer districts or students vouchers to test on national test dates.
- Can seniors take the ACT for the first time through the ACT Senior Retake Opportunity?  
If a senior has yet to take the ACT, however, it is permissible for the student to participate in the October test administration.
