

Governor's School 2018

The state of Tennessee provides Governor's School summer programs for gifted and talented high school sophomores and juniors. These programs provide challenging and intensive learning experiences in the following disciplines: Arts, Agricultural Sciences, Computational Physics, Emerging Technologies, Humanities, Innovation & Entrepreneurship, International Studies, Prospective Teachers, Sciences & Engineering, Integration of Biological & Statistical Sciences, and Scientific Exploration of Tennessee Heritage. Applicants should be in the top of their high school class in performance and capability. Governor's School applications are available online.
