

## Join us.

The National Wood Flooring Association (NWFA) and Middle Tennessee Lumber (MTL) have partnered to provide students with a fun and educational experience to celebrate Manufacturing Day, October 6, 2017.

The event will include a facility tour of MTL's plant, a presentation and a hands-on activity to help students gain insight into the careers available in the wood flooring industry.

Facility tours will run every hour beginning at 10:00am (CT) on October 6.
